

Simon Canter Statement of Direct Access Fees

Fees

I will always provide you with some free initial advice followed by a range of fee options to choose from, based on the level of service that you prefer.

I conduct all my work on an agreed fixed fee basis. There are no hourly rates and no hidden extras.

My fees are highly competitive because I work directly with our clients without the involvement of a solicitor. This means that my clients only need to pay for one lawyer rather than two.

My fees do not include costs related to your matter that are payable to third parties such as Home Office fees, Court or Tribunal fees, independent expert fees and translation/interpretation fees.
